Concrete kerbs units and complementary fittings, according to harmonized standard EN 1340

Product characteristics

Intended use		**External Flooring**
Emission of asbestos		**Not Relevant**
Breaking Strength	**Minimum Strength**	**≥3,5 MPa**
	Class	**1**
	Marking	**S**
Slip/Skid Resistance		**Satisfactory**
Thermal Conductivity [W / (mk)]		**Not Relevant**
External fire performance		**Not Relevant**
Durability		**Satisfactory**
Reaction to fire		**Not Relevant**
Weight		**28 kg**
Items/Pallet		**40 units**
